Re: *United States v. Sidney*  
06cr323(PAC)  
Request for Adjournment

Dear Judge Crotty:

As the Court may recall, John (Madea) Sidney has pending before your Honor a violation of supervised release. She has a scheduled appearance on that violation on April 16, 2020. I write to seek a 60 day adjournment of that conference until June 15th at a time convenient for the Court. The Government and Probation concur in this application. The reasons for the requested adjournment are the current COVID-19 virus makes in-person court appearances impossible. We are asking for the 60 days because we are hopeful by then Ms. Sidney will be settled in her own apartment which Ms. Sidney has been diligently trying to accomplish but has been hindered in her efforts due to the virus.

Respectfully,  
/s/
